

NOTICE TO MARINERS

No 5(T) of 2019

Maintenance Dredging Hythe Marine Park January

2019 to May 2019

Notice is hereby given that maintenance dredging works will take place at Hythe Marine Park. The works will commence on or about Wednesday 16th January 2019 and will continue periodically over the next 5 months, with a completion expected at the end of May 2019.

The backhoe dredging works will be conducted by the spud leg dredger 'UNITED ONE' and the hopper barge 'MV SHEARWATER' will carry the spoil to the Nab disposal ground.

All craft will display the lights and shapes as required by the International Regulations for Preventing Collisions at Sea and both dredger and hopper barges will maintain a listening watch on VHF Channel 12 throughout.

Mariners are requested to reduce speed, as safe navigation permits, when passing 'UNITED ONE' when engaged in underwater activities.

This Notice will be self-cancelling on completion of the dredging operations.
