

NOTICE TO MARINERS

No 38(T) of 2017 (Re-issue)

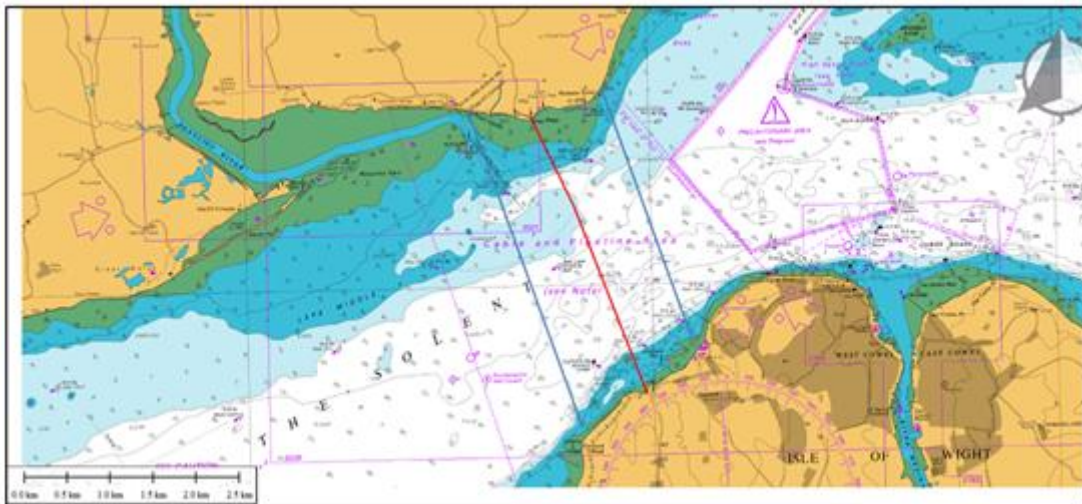

Port of Southampton - Western Solent

Cable Recovery Operations 2nd – 2nd December 2017

NOTICE IS HEREBY GIVEN that cable recovery operations will be taking place in an area covering Lepe Beach and across the western Solent to Gurnard, Isle of Wight between 2nd October and 2nd December 2017.

The operations cover the areas marked on Chart BS2037 as containing 'Cable and Pipeline' and will be bounded by the following positions (see chartlet):

50° 45'.37.1"N 001° 19'32.78"W
50° 47'08.29"N 001° 20'35.34"W
50° 47'05.98"N 001° 21'51.21"W
50° 44'05.63"N 001° 20'40.43"W

The cable recovery operations will be carried out by the 'Yorkshire Lady', see image below, and will involve 12-hour operations. The 'Yorkshire Lady' will maintain a listening watch on VHF channels 11 and 12 and will display lights and shapes as required by the International Regulations for Preventing Collisions at Sea 1972 (COLREGs).

MV Yorkshire Lady

All mariners are requested to keep a good lookout and pass well clear of operation. If this is not possible for navigational safety reasons, then the 'Yorkshire Lady' can be contacted on VHF channel 12 to arrange safe passing.

This notice will be self-cancelling on completion of operations or 2nd December 2017.
