

NOTICE TO MARINERS

Ocean Infinity ROV & LARA system testing - Empress Dock Port of Southampton

No.66(T) of 2021

Notice is hereby given that Ocean Infinity will be trialling Launch and Recovery System (LARS) from Williams' shipping Wc 20th September. The ROV will deploy away from the barge and remain within the safe working area in image 1 whilst onboard testing is conducted.

Deployment information can be obtained from Southampton VTS on VHF 12.

(Image 1)

All mariners are requested to remain clear and be mindful when manoeuvring within the Empress Dock and of the requirement to report to Southampton VTS for clearance before getting underway.

This notice will be self-cancelling at 1900 30th September 2021.
