

NOTICE TO MARINERS

No 41 (T) of 2024 (Amendment)

IFA2 Route Maintenance operations – Stage 3

NOTICE IS HEREBY GIVEN jointly by the King’s Harbour Master Portsmouth and the Harbour Master ABP Southampton that as part of the IFA2 Interconnector Project, Survey and maintenance works are planned to take place in the Eastern Solent by Prysmian Powerlink on behalf of the National Grid until approximately the 28th September 2024 (Stage 3). Information about following works stages will be advertised by further LNTMs.

The works area is approximately 1.5 NM SSW of Gilkicker Point (as indicated on the below chartlet) by the Red Dot.

Repair operations carried out by Prysmian have now concluded and the project now enters a guard phase to protect assets whilst licenses are acquired for cable protection. Mariners are requested to pass at a safe speed observing a **200m guard Zone** around the work area.

Guard Operations will be ongoing to protect the area of the cable repair at sea and will be marked from by **GV ACCORD**

Guard Vessel ACCORD	Details	
	IMO	-
	MMSI	234219000
